---

Lincoln Memorial University invites you to attend the virtual Opioid Education Symposium (OES2026). Lincoln Memorial University-DeBusk College of Osteopathic Medicine will host OES2026 on ***Monday, April 20, from 12:30 p.m. to 4:30 p.m.***

The theme of this year's symposium is "**MOVING AWAY FROM OPIOID RELIANCE**; Interprofessional Perspectives; Strategies for Detecting Opioid Misuse and the Communication that Follows." This symposium series continues to increase recognition, from both clinical and holistic perspectives, of the devastating factors contributing to opioid misuse, regionally and nationally.

We anticipate attendance may include, but is not limited to, students from programs such as Osteopathic Medical Education, Physician Assistant, Family Nurse Practitioner, Pharmacy and Social Work. All interested community leaders, community members, and other trained medical professionals are also invited to attend!

If you have any questions, please contact Jeremy Buchanan at ***jeremy.buchanan@LMU.net.edu***

**Program details and online registration link to follow.**
